THE PRAYER WALL

♥ KINGDOM PARENTS

You do not have to carry it alone.

Inside our FREE parent community, Kingdom University, there is a Prayer Wall where Kingdom parents post what is on their hearts, and Ms. Ashley personally responds to every single prayer. The bills, the diagnosis, the child you are worried about, the marriage, the night you cannot sleep: bring it to the wall, and you will be prayed for like family.

HOW TO GET THERE

1. Go back and press the orange COMMUNITY sign on the website.
2. That sign takes you into our free community.
3. Look at the tabs at the top and click PRAYER WALL.
4. Post your prayer request, and Ms. Ashley will respond to you personally.

Until next time, Kingdom family, stay positive.
